Chyba [ERR] User 'xxx.yyy@xxxxx.cz' had once existed and was deleted from the portal. If you need to restore him, contact the portal administrator please.

Co znamená když vyskočí následující chyba?

[ERR] User 'xxx.yyy@xxxx.cz' had once existed and was deleted from the portal. If you need to restore him, contact the portal administrator please.

Chyba vzniká v případě, je-li uživatel smazán pouze v Infoportu a Active Directory se snaží uživatele synchronizovat.

Doporučujeme smazat uživatele přímo v databázi Infoportu.
