Recently Discussed Elements

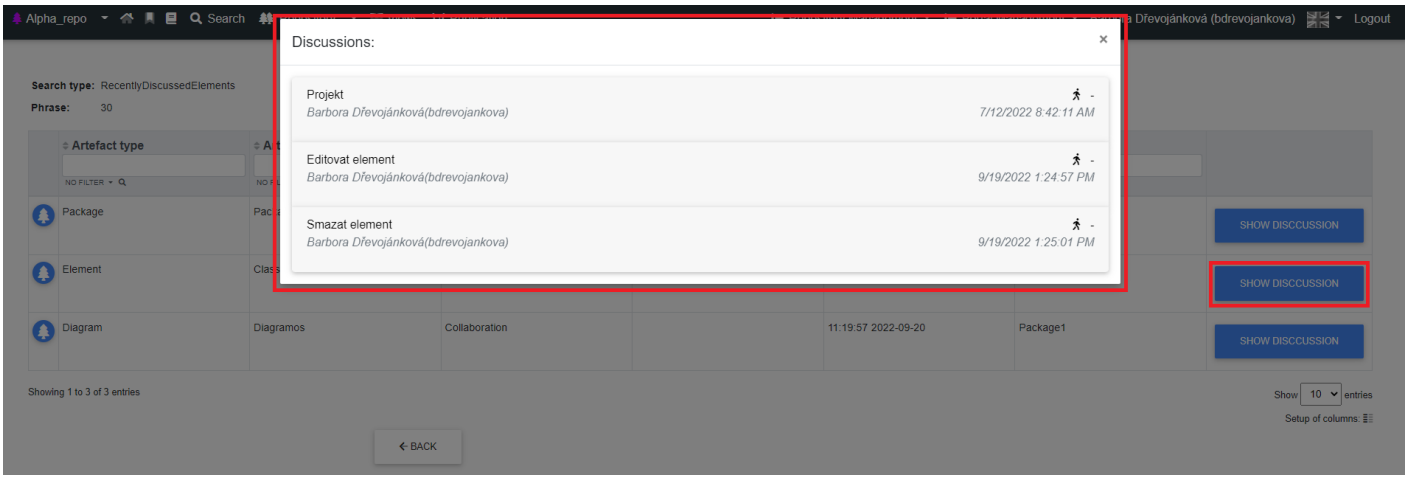

If the user selects "*Recently discussed artifacts*" and fills in how many recent days they want to see discussed artifacts, a list of artifacts will be displayed.

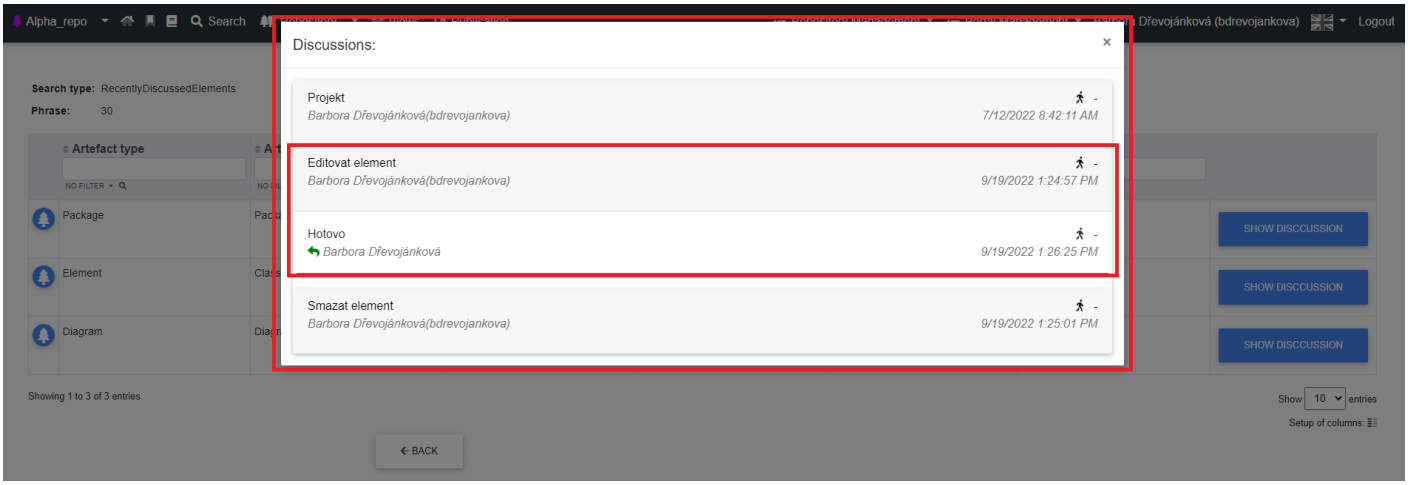

The user can click on the "*Tree*" icon or the "*Show Disccution*" button.

When the user clicks on the "*Show Discussion*" button, a table with the discussion opens.

Clicking on a line in one of the discussions will expand another line with a response to that comment (if anyone has responded) or display a line with the message "*No Replies*"

The user can click on the "*Tree*" icon  is redirected to the artifact's repository.
