

Slider between the Repository Tree and the Detail

The slider allows you to expand the width of the repository tree.

The screenshot shows the Enterprise Architect (EaTest) interface. On the left is the 'Repository Browser' panel, which contains a tree view of the 'Example Model'. The 'EA 15 Examples' folder is selected. A red box highlights a slider control located between the Repository Browser and the main detail view. The main detail view displays the 'EA 15 Examples' class, which is a 'Class' type. Below the class name, there is a grid of 12 icons representing various examples: Custom Tables, Data Miner Examples, DMN Example, Element Browser and Properties Window, BMM, Diagram - Alternative Views, Dynamic Charts, Element's Compartment Visibility, Custom Style - BMM model, Diagram - Bookmark Values, Model Based Add-Ins, and Element Info View. Below the grid, there is a 'Notes' section with a table of metadata. The table has four columns: Name, Type, Stereotype, and MDG Technology. The 'Name' column contains 'EA 15 Examples', 'Type' contains 'Class', 'Stereotype' contains 'MDG Technology', and 'MDG Technology' contains 'MDG Technology'. Below the table, there is a 'Discussion' section with a 'Discussion' button and a 'More detailed control of discussions (editing, deleting, ...) is performed using the context menu' message. On the right side of the interface, there is a vertical toolbar with various icons for navigation and editing.

Name	Type	Stereotype	MDG Technology
EA 15 Examples	Class		

Author	Created	Modified	Version
Pat Taylor	4/3/2019 1:39:24 PM	5/5/2022 1:35:18 PM	1.0

GUID	ID	Theme
{A18C6E84-5B6A-4a2d-A531-DFD5CAD10894}	965	

Discussion

More detailed control of discussions (editing, deleting, ...) is performed using the context menu
