

User Management

If we have chosen User Management, we will get to the “**List of Users**” in the repository.

List of users

CREATE

Username	First name	Surname	Email	Department	
<div>NO FILTER</div>	<div>NO FILTER</div>	<div>NO FILTER</div>	<div>NO FILTER</div>	<div>NO FILTER</div>	
bmravenec	Bedřich	Mravenec	bedrich.mravenec@EainfoportT3.cz		<div>GROUPS</div> <div>PERMISSIONS</div> <div>EDIT</div> <div>REMOVE</div>
