User/group role specifications

If the default settings are not enough and we need to specify a range of other users, it is possible to specify roles and access directly on the user or group.

The table below shows the legality of the powers:

Role	read	edit	delete	reviewed
Reader	✔	x	x	x
Editor	✔	✔	x	✔
Permission Delete	✔	x	✔	x
Reviewer	✔	x	x	✔
Owner	✔	✔	✔	✔
