

Oddálení

Funkcionalita je dostupná v kontextovém menu pod symbolem

The screenshot shows a software development tool interface. On the left is a 'Repozitář' (Repository) tree with various packages. The main area displays a diagram for 'sd Package12', which is a sequence diagram with two actors and two objects. Below the diagram is a table with metadata:

Název	Typ	Stereotyp	Verze
Package12	Sequence		1.0

Below the table, there are fields for 'Autor' (Administrator), 'Created' (13.06.2019 14:57:26), and 'Modified' (21.08.2019 10:30:42). A red arrow points to a magnifying glass icon in the bottom right corner of the interface, which is part of a context menu.

Máme 2 možnosti oddálení diagramu:

- Držením klávesy CTRL + rollováním kolečkem myši
- Kliknutím na ikonku „Oddálit“
