

Stromeček repository

Stromeček repository má obdobnou funkcionalitu, jako browser (repository browser) nástroje Enterprise Architect.

Obsahuje fyzickou strukturu repository ve formě rozklikávacího stromečku.

The screenshot displays the Enterprise Architect (EA) interface. On the left, the 'Repozitář' (Repository Browser) is shown as a tree structure under 'Example Model'. It lists various examples and custom styles, with 'EA 15 Examples' selected. The main workspace on the right shows the 'EA 15 Examples' project details. It includes a grid of example icons (Custom Tables, Data Miner Examples, DMN Example, Element Browser and Properties Window, BMM, Diagram - Alternative Views, Dynamic Charts, Elements Compartment Visibility, Custom Style - BMM model, Diagram - Bookmark Values, Model Based Add-ins, Element Info View, Custom Drawing Style, Diagram - Element Grouping, Properties UI) and a table of project metadata.
